

This Is Potwin

Potwin, Kansas

October 2017

The 107th Old People's Day was a huge success! Thank you to everyone who attended, volunteered, or donated to such a great event!

Potwin PRIDE Inc. News

Tomatoes keep growing at the Ken Whittington Memorial Plant a Row for the Hungry Garden. Monday, September 25, Melvina and Sarah Colling picked 172 pounds of tomatoes bringing the total pounds of tomatoes this year to 2,320 and the garden total to 3,473. We still have turnips and sweet potatoes growing too. The turnips are about ready to pull and we will dig the sweet potatoes when it frosts.

Some of the flags that are put up on biker's Sunday and holidays are getting pretty tattered so we will be looking at purchasing about five new ones. Anyone interested in donating to the project would be helpful.

PRIDE donated to the Watermelon Festival committee and the Old People's Day. There were about 114 people attending Old People's Day.

City wide cleanup will be October 28. Other dates on the calendar include biker's Sunday October 8. The next PRIDE meeting will be October 17 instead of October 19 at 7:00 PM. Anyone is welcome to attend and let us know what projects you would like for us to work on.

Melvina Jones, Secretary

Gary & Margaret Kraisinger will present **The Chisholm Trail: The Rest of the Story** to celebrate the 150 year anniversary of the Chisholm Trail. The Kraisingers are award winning authors and have published three books dealing with the early herding of cattle from Texas to train terminals in Kansas--Abilene, Newton, Wichita, and Liberal. Join the Friends of the Whitewater Memorial Library and the Frederic Remington Area Historical Society for an interesting listen into the history of cattle trails.

Greenery Sales

The RHS Sophomore class will be selling GREENERY from October 9 through October 25, to help fund the 2019 Prom.

Our partner, Sherwood Forest Farms, prides themselves in their sustainably-harvested evergreens. Trees are NOT cut down to supply the boughs used in their products, and they NEVER use old-growth materials.

Beautiful wreaths and door swags, fragrant garlands, lovely centerpieces, and wonderful "extras" will be available from RHS Sophomore students. Costs are reasonable and delivery will be just prior to the Thanksgiving break in November.

Should the product(s) need to be shipped to another address...**No Problem!** Direct Delivery items are clearly identified and can be shipped, from the company, within the contiguous United States during the first 2 weeks after Thanksgiving.

If you wish to place an order for your home or business, contact a member of the RHS Sophomore class or contact Mrs. Schowalter at the high school (799-2123). Payment is due at the time of the sale. Checks can be made out to **Remington Sophomore Class**.

Remington Elementary School will be having their annual Halloween Parade on Tuesday, October 31st. This year's theme is "Today's Readers are Tomorrow's Leaders." Students are encouraged to dress as a favorite character or something that relates to their favorite book. The parade of students will start about 2:30pm. Come show your support.

Your library needs your help.

We are getting new shelves for the children's section. They are supposed to be ready sometime in October. I have big dreams and want to take advantage of the room being empty to make any needed repairs, repaint, and lay new carpeting.

I am also slightly delusional because our budget is almost nonexistent, so I am looking for volunteers. I need help packing boxes with books and moving them. I need help tearing down the current shelves, ripping up the carpet, and determining if something needs repaired. I can figure out the obvious problems, but beyond that I need your help.

I want to make this room into something that will invite your children in and help them learn the joy of reading for years to come. Wouldn't you like to be a part of that?

The Remington High School Choir is selling Yankee Candles to raise money for their Vocal Trip to Denver, Colorado. Each student needs to raise about \$400.00 for the three day trip.

The kindergarteners at RES just recently celebrated Johnny Appleseed Day. After learning about Johnny Appleseed activities correlated to apples were done.

Kindergarteners did tasting and graphed their favorite type of apple. Students got the chance to try apple cider and apple juice. Next was the anticipated applesauce-making. Kindergarteners peeled, mashed, mixed and let the apples cook in crock pots. For snack they tasted their delicious homemade applesauce. A sweet success!
