Potwin PRIDE News

We want to thank the 42 people who filled out the grocery survey and for about that many people attending the PRIDE meeting on November 16 to show interest in having a place to buy food in Potwin. Results of the survey showed 33 people would support a grocery store, 34 people would support a convenience store, and 40 people would support a gas station in Potwin.

Jan Steen, Community Vitality of Kansas PRIDE and Renee Lippincott, Kansas Department of Commerce representatives gave information about grant opportunities and success stories of other communities in a similar situation as ours.

During the business meeting it was decided that PRIDE would furnish candy canes for Santa to hand out. The Potwin Lions Club will set the date for the Santa visit and tree decorating. Melvina handed out state PRIDE newsletters. Melvina reported on the Ken Whittington Memorial Plant a Row for the Hungry Garden. The only thing left to do is clear off the tomato cages. Dean reported on the ball light project.

On November 27, 11 youth and 5 adults cleaned off the tomato cages at the Ken Whittington Memorial Plant a Row for the Hungry Garden. The youth also dug up about 20 pounds of sweet potatoes where they had spread out.

The next PRIDE meeting will be January 18 at 7:00 PM at the Community House.

Merry Christmas from the PRIDE committee

Merry  
Christmas

Thank you to all the members of the community who bought items from Girl Scout troop 41331 during our fall sales.

The troop was able to raise almost \$1000 that we will use for future activities, such as a trip to the Museum of World Treasures in Wichita and a bowling trip in El Dorado, as well as supplies for our meetings.

Aubre Greene and Megan McCormick are so happy and very proud of the entire troop.
