Potwin PRIDE News

The theme for Week of PRIDE 2018 May 20-28 was Partnerships. We have had several partners helping our community during the month of May instead of just the one week. On May 3, a lot of youth participated in the Remington High School Community Service Day by helping several people, the City of Potwin, and Potwin Library with yard clean up, paint scrapping, and planting flowers.

On May 13, Dean Schmidt tilled the Ken Whittington Memorial Plant a Row for the Hungry Garden and Melvina Jones helped him mark where the tomatoes were to be planted. Logan and Adrian Morley, and Connie Ross helped plant six rows of corn and a row of cucumbers. They also helped Melvina hill the potatoes.

On May 14, the fourth grade classes of Mrs. Hinz and Mrs. Kilner at Remington Elementary School planted the flower barrels at the city building and King Park. The City of Potwin furnished the flowers.

On May 17, instead of having the monthly PRIDE meeting we had a work night at the garden. Nine adults and nine youth planted 100 tomato plants. We want to thank Kelly and Irene Whittington for raising the plants for us.

On May 28, the flags are put up for Memorial Day.

Kansas State PRIDE has highlighted partnerships for the week. Day 1 was the Kansas Masons, Day 2 was The Kansas Department of Commerce, Day 3 was K-State Research and Extension, Day 4 was 48 Hours of 4-H, Day 5 was Local Partners, Day 6 was Kansas PRIDE, Inc. (highlighted was a sponsor Westar Energy for donating the light poles for the Potwin ball light project), Day 7 was Memorial Day.

June community calendar dates include the Remington area vacation Bible school at the middle school in Whitewater June 4-8, city wide garage sales June 8 & 9, biker's Sunday June 10, and the next PRIDE meeting June 21 at 7:00 PM at the Community House.

On May 14, 2018 the North Butler 4H Club met for it's monthly meeting. Seventeen members answered roll call by sharing the name of their favorite superhero. It was a busy and informative evening as several members shared about their projects with the club. One of our newest members, Alyssa Klingenberg, talked about her fairy garden. We also learned about different drawing techniques from Desiree Ingalsbe as she showed the drawings she plans to take to the fair this year. Deciding which food recipes to take to the fair is a long process for John Ferley. It takes most of the year to decide which ones he will use. He usually takes seven items. The baked goods on display at the Butler County Fair always look yummy! Makayla Klingenberg's cookies she shared with club members were very tasty. She gave a demonstration talk on how she made them. Thanks for sharing Makayla! Members helped with a community service project for Wheat State Manor in Whitewater. Folded butterflies were made to use in the table centerpieces in the dining room for the residents to enjoy. The busy 4H evening ended with a game of Capture the Hat led by Austin Miller. Anyone is welcome to join us at our next meeting at Emmaus Mennonite Church new Whitewater on June 11, 2018. The meeting starts at 7:00 PM.
